RESIDENT PHYSICIANS THERE USE IT IN THEIR OWN CASES AND PRE-SCRIBE IT FOR PATIENTS IN GOUT, RHUEMATIC GOUT, AND RHEUMATISM.

IT RELIEVES PARALYSIS AFTER A FAILURE OF HOT SPRINGS.

DR. ALGERNON S. GARNETT, SURGEON (RETIRED) UNITED STATES NAVY, RESIDENT PHYSICIAN, HOT SPRINGS, ARK,

"My experience in the use of Buffale Lithia Water is limited to the treatment of GOUT, RHRU-MATINM, and that bybrid disease, "RHRI MATIC GOUT" (ac-called), which is in contradistinction to the RHRU-MATOID ARTHRIFTS of Gorred.

"I have had excellent results from this water in these affections, both in my own person and in the treatment of patients for when I have prescribed it. Of course, the remedial agent is its contained Albairs and thoir subsent properties.

"Hence it is a prophylactic as well as a remedy in NEPHRITIC COLIC AND FORMING CALCULI when due to a reducionary of LITHIC ACID."

"H not only eliminates from the blood the deleterious agent before it erystalizes, but dissolves it in the form of CALCULI, at least to a size that renders its passage along the wreters and wrethru comparatively stay."

DR. T. B. BUCHANAN, RESIDENT PHYSICIAN, HOT SPRINGS, ARK.

"Send me five cases Buffalo Lithia Water, Spring No. 2. I have made use of this water for GOUT in my own person and prescribed it for patients distinctly suffering with the most deckied beneficial results. I take pleasure in advising GOUTY patients to these Springs."

DR. L. S. ORDWAY, RESIDENT PHYSICIAN, HOT SPRINGS, ARK. "I have used Buffalo Lithia Water, Spring No. 2, very extensively and successfully in my practice in cases of RHEUMATISM of the Arthritic form, capacitally when complicated with weak, inactive Kidneys, with incincation to BRIGHT'S DISEASE."

DR. T. J. REID, CHICAGO, RESIDENT PHYSICIAN, HOT SPRINGS, ARK.

"In my experience Ruffalo Lithia Water is a valuable adjunct to the physician in the treatment of Calculous affections, GOUT, EHEUMATIC TOUT, EHEUMATISM, &c.
"I have used it in a case of DYSPEPSIA in my own person and prescribed it for others suffering from the same insludy with excellent results. It is a valuable tonic afternive for the Blood, and its range cores the entire practice of the physician. I report it as an exercise for the Blood, MEDICA, and prescribe it as eften as any potentiaries. As a directle it has no equal. Comparison of these waters with those of any other as-called Lithia Springs caused fail to demonstrate the great superiority of the BUFFALO LITHIA WATER."

DR. G. W. LAWRENCE, RESIDENT PHYSICIAN, HOT SPRINGS, ARK.

"I prescribe Buffalo Lithia Water with great confidence in GOUT, RHEUMATIC GOUT, RHEUMATIM, and ALL LITHIC ACID ILLA."

THE LATE DE. THOMAS P. ATKINSON, EX-PRESIDENT MEDICAL SOCIETY OF VIRGINIA.

"I have been a frequent visitor to the celebrated Het Water Resorts and also at the Bufalo Lithia ings the truck will be in a Springs. Afterwards I was across elegated, and greatly depressed in spirits. My general health declined until I was compelled to relinquish all attention to my business affairs. In this condition I made without deriving benefit two protracted visits to the Hot Springs of Arkansas. On roturning from my last visit I determined upon an experiment with Buffalo Lithia Water, Spring No. 2, which proved most happy in result. After its use for some weeks I am so far imprayed as to be able to walk readily without my cane. The Hormaturia is entirely relieved. I can cat heartify, my direstion is good, nervous symptoms gone, I sleep soundly, am attending regularly to my business purious is and beopeful of a complete recovery from the continued use of the water. I do not undertake to account for the action of this water in Furnilysis, but simply state a fact.

A QUESTION.

If resident physicians at HOT SPRINGS, a bea'th resert of world-wide celebrity, as a remedy in Geut, Rheumatic Gout, and Rheumatism use in their own cases and prescribe for patients for these tankeds BUFFALO LITHIA WATER, what must be the remedial value of the BUFFALO WATER?

PROGRESS OF PREPARATIONS AT THE EXPOSITION-OROUNDS.

System-List of Houses that will Take Boarders-Races, &c.

General Charles J. Anderson has acing of the Exposition October 3d, and may be counted on to make a successful affair of it. Exactly what will be the programme has not yet been determined on, but no doubt the effort will be made to obtain the participation of all the Richmond military and all the other soldier companies near to Richmond; the city Fire Repartment; the civic societies; The exhibitors are not putting in their soldiers. Though there is much activity at the Exposition building, yet one cannot fail to see that there is more work to be done than can be finished in two weeks—in time for the opening of the Exposition—without a good deal of "hustling."

Diligent labor night and day will be necessary.

There were present Messrs.
